

## CITY, DEPAUW ARE HOSTS TO NIXON, WIFE

VICE PRESIDENT AWARDED  
HONORARY DEGREE BY  
UNIVERSITY

Today marked a milestone in the history of DePauw University and Greencastle. It was the one occasion on which they entertained the vice president of the United States, Richard M. Nixon and his wife.

Mr. and Mrs. Nixon flew to Indianapolis from Washington, D. C. where they were met by state and government officials and a motorcade brought them to the home of Dr. and Mrs. Russell J. Humbert of DePauw, where they were met by a few Greencastle people and taken on a tour of Greencastle, passing through the downtown district at 10:35 a. m., en route to the Union Building.

At 10:45 the academic procession formed in the Union Building and marched to the front of the Roy O. West Library where Mr. Nixon was given an honorary degree of Doctor of Laws. Taking part in this ceremony were Dr. Humbert, Glenn W. Thompson, Columbus, president of the Board of Trustees, Dr. Harry Voltmer, Marshal of the Faculty, Dr. Herold T. Ross, secretary of the faculty, Bishop Richard C. Raines of the Indiana area of the Methodist church, Governor Harold W. Handley and Dean Robert Farber.

Following the honorary degree ceremony, those participating in the program went directly to the Bowman gymnasium where Mr. Nixon addressed a luncheon gathering of nearly 700 men and women. Dr. Humbert was one of the speakers following the luncheon and music was furnished by The Collegians.

It was Nixon's first honorary from an Indiana school—but not his first honorary degree. Besides earning a bachelor of arts degree at Whittier, Calif., College in 1934 and a law degree from Duke University in 1937, Nixon has received several honorary degrees including those at Lafayette College, Temple University and Bradley University.

The weather was bright for the occasion following Friday night's terrific rain storm. The temperature was warm and everything seemed to be about right.

## Couple Killed As Cars Crash

FORT WAYNE (UP)—A Michigan couple were killed and three other persons injured in a two-car head-on collision late Friday south of Chubbuck on rain slicked U. S. 33.

The crash claimed the lives of Lawrence Foose, 50, and his wife, Lucille, Muskegon, Mich. Foose was killed outright and his wife died while being taken to the Columbia City hospital.

Delores McNatt, 19, and Leon Hodges, 21, students at Fort Wayne Concordia College, and Ellen Krupod, 28, Fort Wayne, driver of one of the cars, were treated for minor injuries at Parkview Hospital here.

Police said the accident occurred when Miss Krupod tried to pass a cement truck and her car skidded on the wet pavement into the path of the Foose automobile.

## 20 Years Ago HERE AND THERE

Mrs. John King and daughter, Mrs. Rex Thorlton, spent the day in Indianapolis.

Local Kiwanians attending a district meeting in Columbus were Marshal Abrams, Harvey Walls, Sam Hanna, R. E. Cook and H. E. Greenleaf.

Mrs. Fred Bittles and children were visiting in Osborn, Ohio.

Kappa Delta Phi sorority held pledge service at the home of Mrs. Marion Walker for Mrs. Letty Shonkwer and Mrs. Elizabeth Morrison.

## IN THE GOOD OLD DAYS

MONROE TOWNSHIP—"There is a petition in circulation to have the commissioners to divide Monroe township by a parallel running east and west with the Somerset road and church, making the voting precinct of the south precinct at Brick Chapel, instead of at Somerset, and the north division voting at Bainbridge. It is thought it will be granted." (1880)

GOOD OLD DAYS—"The reckless and extravagant National Board of Health got a severe overhauling in the House of Representatives today. Last year half a million dollars was placed to their credit, the idea being that only very little of it would be spent unless there was a widespread epidemic. There was no epidemic yet the board spent all of the money, and are now clamorous for more. . . . There is a strong disposition to abolish it altogether." (1880)

BIG OPERATORS—"Lockridge and Bridges have sold to Alex Mann, through his agent, Robert Shield, 5,027 beef cattle since July 1st. Their average weight was \$1,540 pounds each. Two hundred and fifty of the last delivery averaged 1,780 pounds each. The large sum of \$356,710 was paid for the entire lot. They have engaged to deliver 3,000 sheep within a short time." (Nov. 18, 1880)

LOCAL ITEMS—"The ice on the rolling mill pond is nicer than it has been for years—Greencastle is a city of churches, schools, coasting hills and shows—The Boston Ideal Uncle Tom's Cabin at the Opera House tonight—Joe Anderson has gone to work on his farm since he was married." (1880)

DISCOURAGING—"There has been a falling off of the population of San Francisco of 60,000 during the past decade. The city is full of idlers and hoodlums of both sexes, and the outlook for the future is discouraging." (1880)

FOUR PAPERS—"If the people of Danville (Ind.) ever enter into the promised land it will be through great tribulation. It requires no small degree of endurance to live in a small town where there are four papers published." (1880)

FEDERAL CONTROL—"Southern Democrats say they want National money for public schools, but they will have no National control over them. The first proposition pertains to the right of the Nation, the latter to States' rights." (1880)

UNTIL NOW—"In 1860 the Republicans came into power in Indiana, and the Democrats left them a state debt of thirteen millions to pay. This the Republicans paid in twelve years, and in 1872 turned the state over to the Democrats without a cent of debt. Again in eight years the Republicans came into power and find that the Democrats have created a debt of two millions which now must be paid." (1881)

## Prom Was Held Friday Evening

Miss Joyce Ewing and Bergie Remsburg were crowned queen and king at the Greencastle High School Junior-Senior prom held in the Union Building, Friday evening.

Following the prom the Juniors and Seniors and their guests were entertained with the post prom follies held at the Armory. The Armory was attractively decorated in keeping with the theme of a "Night in Paris."

## FOUR HURT IN HEADON CRASH FRIDAY NIGHT

MISHAP OCCURRED SOUTH  
OF U. S. 40 ON STATE  
ROAD 43

Four persons were injured and two autos badly damaged in a head-on crash two miles south of U. S. 40 on Ind. 43 at 9:20 p. m. Friday.

Taken to the Putnam county hospital were: George W. Pittman, 63, Roselle, Illinois, broken ribs.

Mrs. Lelia Pittman, 59, cuts and punctures on both legs and chest.

Wallace L. Camp, 34, Monticello, deep nose cut, lacerations about eyes and forehead.

Donald B. Thompson, 35, Monticello, both knees cut and bruised.

All but Mrs. Pittman were treated and released.

State Trooper Howard Brackney reported that Camp was driving north on 43 and Pittman was going south. Brackney said Camp was on the wrong side of the highway when the two cars met on a curve resulting in the head-on collision.

Camp was arrested for driving on the left of the center line. The hospital described Mrs. Pittman's condition as "fairly good" Saturday morning.

## Mrs. Nina Miller Called By Death

Mrs. Nina Miller, age 96, passed away Friday afternoon at the Jones Nursing Home in Spencer, where she had been a patient since 1951.

Mrs. Miller was born in Washington County, Ky., the daughter of Alexander and Nancy Good. She formerly resided near Stilesville and had made her home with her great nephew, Phillip Good, in Monroe township, for several years.

Survivors are several nieces and nephews.

Funeral services will be held Sunday afternoon at 2 o'clock from the Rector Funeral Home. Burial will be in the Stilesville cemetery.

Friends may call at the funeral home.

## Rainfall Friday Nearly An Inch

Putnam County received a heavy rainfall Friday night. Apparently the rainfall got out of the way of the Nixon meeting in Greencastle Saturday morning, as Grafton Longden, the government weatherman reported a total of .93 of an inch of rainfall during the night.

The rainfall started about six o'clock and continued until well into the night. The hardest rain came shortly after nine o'clock when the skies opened up and it really poured.

Morton residents reported this morning that four inches of rain fell on their community within an hour and a half Friday evening. The deluge started at 7:30 p. m. and lasted until 9 o'clock.

The rain was also accompanied by some hail which fortunately did not do any damage. Plowed fields around Morton were completely washed out by the down-pour.

## James Edwards Dies At Hospital

James C. Edwards, age 83, passed away Friday evening at the Putnam County hospital, where he had been a patient since March 30th when he suffered a broken hip.

Mr. Edwards was born in Owen County and had lived in Morgan County, the Hazelwood community and had resided near Coatesville for thirty-five years. He was a farmer and stock buyer and charter member of the Hazelwood Christian church.

Survivors are the wife, Nora, and one son, Kenneth, at home.

Funeral services will be held Monday afternoon at 2 o'clock from the Powell Funeral Home in Coatesville. Interment will be in the Coatesville cemetery.

## TRACTOR VICTIM

FORT WAYNE (UP)—Roger W. Clark, 40, R. R. 2, Fort Wayne, was killed Friday when the seat of a tractor he was riding broke and he fell between the tractor and a plow.

Clark was dragged about 50 feet. He died of a skull fracture. Clark became the sixth Hoosier farmer to die this week in a tractor mishap.

## Benson Studies Economy Action

WASHINGTON (UP)—Secretary of Agriculture Ezra T. Benson pondered today whether to take on the congressional economy bloc in a fight to restore his battered farm budget.

The Democratic-controlled House Appropriations Committee Friday cut deeply into funds for soil bank subsidies and also lopped almost 20 per cent off farm research funds.

Informants said the committee action, taken behind closed doors, produced little protest from Republican members.

The committee said it was "contradictory" for the administration to propose paying farmers one billion dollars to cut back plantings while putting more scientists on the payroll to help farmers increase production.

Aides said Benson, who received scathing criticism in the committee report, probably would issue a statement next week before the House votes on the pared-down farm money bill.

## GROUND TOO WET TO FLOW SATURDAY MORNING

The rainfall around Brick Chapel was too heavy for the farmers to work "God's Acres" the church farm, and plans were being made to do the work Monday instead of Saturday.

## PRO-WESTERN ALLIANCE SEEN IN MIDDLE EAST

KING SAUD, KING FEISAL  
HOLD CONFERENCES  
IN BAGHDAD

By United Press

Two Arab kings—Saudi of Saudi Arabia and Feisal of Iraq—met in Baghdad today for what may be the start of a powerful pro-Western alliance in the Middle East.

The visit of the 56-year-old Saudi to 22-year-old Feisal's home grounds signaled the formal end of a feud between the two kingdoms that stemmed from just after World War II when Saudi's father threw Feisal's father out of the Arabian desert.

But more important to the West it opened the door to an alliance between two oil-rich Arab nations whose rulers hate and fear Communism.

The state visit will last four days. Then it is possible that the two kings will invite young King Hussein of Jordan to join them—probably at a less conspicuous spot than Baghdad—or King Saud conceivably could go to Jordan himself.

This would tie the three nations together with a moral bond if not by an actual pact.

U. S. Secretary General Dag Hammarskjold left Jerusalem for New York today after smoothing over somewhat his rough relations with Israeli Premier David Ben-Gurion.

The two men issued a statement Friday saying their talks had "clarified" the situation in the tinderbox Middle East.

Israeli sources said Ben-Gurion frankly told Hammarskjold he was displeased with the secretary-general's handling of the Mideast situation and that Israel would not permit United Nations troops on its side of the armistice line with Egypt.

Hammarskjold, in turn, was reported to have told Ben-Gurion to retract his statement that the 1949 armistice with Egypt was dead and to renew the cease fire agreement negotiated by the secretary-general a year ago.

## HOSPITAL NOTES

Dismissals: Wilbur Clodfelter, Kenneth Moore, Minnie Adelman, Don Owen, Olive Dowling, Mrs. Leonard Wells and twin daughters, Greencastle; Mrs. Robert McClellan and son, Clayton; Mrs. Robert Freeman and son, Spencer.

## TRAILER FIRM LOAN PROBED BY COMMITTEE

DAVE BECK, PRESIDENT OF  
TEAMSTER UNION IS  
TARGET

WASHINGTON (UP)—The Senate Labor Rackets Committee next week will investigate what Dave Beck demanded of the Fruehauf Trailer Co. after lending it \$1,500,000 of his Teamster Union's funds.

Committee counsel Robert F. Kennedy told reporters today the inquiry will not be aimed at the loan itself, which was announced long ago, but "what occurred after that."

He said the investigation did not necessarily imply wrongdoing by Fruehauf. The loan was repaid with interest in 14 months.

Beck, head of the nation's biggest union, was pictured at Friday's hearing as a man who split a \$11,585 profit from selling mortgages to a memorial fund for the widow of his best friend.

He was trustee of the memorial fund and as trustee of Teamster money, too, granted himself a loan to buy the mortgages which he sold to the memorial fund at a profit, Kennedy said.

The 31-year-old committee counsel said this was just one of four ways by which Beck and his family enriched themselves from the investment of more than nine million dollars of Teamster money in mortgages.

Beck himself is expected to return to the witness chair next week and be given a chance to explain detailed charges that he used his power with the union to line his pockets.

The Teamster boss already has pleaded the Fifth Amendment 150 times before the committee rather than answer questions. However, he said late Friday in a press release that the union's investments under his guidance have shown a steadily increasing yield.

## Putnam Students Win Scholarships

He was born near Thorntown March 30, 1870, the son of Samuel and Lydia Macey Woody. He was married Sept. 5, 1895, to Almina Pearl McCartney, who died in 1948.

Survivors include three sons, Leo Woody of Crawfordsville, Haven Woody and Noble Woody of Columbus, Ohio; three daughters, Mrs. Ernie Sheets of Crawfordsville, Mrs. Opal Skelton of Logansport and Mrs. Donald Grimes of Russellville; five grandchildren and six great-grandchildren.

Funeral services will be at the Chastain Funeral Home in Roachdale Monday at 11 a. m., with burial in Russellville cemetery.

## MONTGOMERY IS GUEST OF EISENHOWERS

PLAN TO VISIT FAMOUS  
BATTLEFIELD AT  
GETTYSBURG

GETTYSBURG, Pa. (UP)—Two old comrades-in-arms today hoped to roam the great Gettysburg battlefield together sometime this weekend.

One was President Eisenhower. The other was British Field Marshal Bernard Montgomery, victor over Nazi Gen. Erwin Rommel's African Corps and now deputy commander of North Atlantic Treaty Forces.

The President planned to fly from the capital to his Gettysburg farm shortly after breakfast. Montgomery, who spent the night at the White House, planned either to accompany the President or drive to the farm later in the day with Mrs. Eisenhower.

Eisenhower scheduled the early morning flight in hopes of possibly getting in an early round of golf—his third round this week. But the principal business of the weekend was expected to be long hours of talk between the President and his old World War II comrade and the tour of the nearby Civil War battlefield.

Both Eisenhower and Montgomery as professional soldiers are deeply interested in the great battle that became the high water mark of the confederacy. Ironically another student of the battle was Rommel.

The President long ago promised Montgomery a personally conducted tour of the battlefield. However, the two generals differ in their thinking about the battle.

Eisenhower, a strong admirer of Confederate Gen. Robert E. Lee, once said Lee lost the battle for the most part because of poor logistics and lack of the breaks.

Montgomery said Thursday night in a speech at Baltimore, that he has been "reading up" on the battle in preparation for his visit.

He said that after the battle he "personally would have sacked" both Gen. George H. Meade, the Union commander, and Lee.

## School Principal Bans Blue Jeans

WASHINGTON (UP)—A suburban high school principal has declared war on tight blue jeans. He doesn't go for tight white T-shirts either.

"They're indecent," he said. "And they don't look neat." The principal—Samuel J. Coffey of nearby Fairfax, Va.—opened hostilities on tight blue jeans Friday by sending home from school about 40 tightly blue-jeaned boys.

"A few were wearing those silly things down on their hips," he said. "And those T-shirts are undershirts."

"They were a crummy-looking bunch."

PROBE HITLER'S EARLY DAYS

THE ERNST ROEHM massacre of 1934, when Adolf Hitler rose to power in Germany, is aired in a Munich court as these two participants stand at trial. They are 65-year-old Sepp Dietrich (left), a Hitler hatchetman, and Michael Lippert, 60, a Stadelheim prison official at the time. He is accused of having been one of a two-man team which shot Roehm. The court is trying to establish who did the Roehm killing, and whether there actually was a revolt plot against Hitler. At the time, some 200 Storm Troopers were executed. Later Dietrich commanded a panzer division, and got 25 years for his part in the Ardennes offensive massacre of prisoners. He was released in 1955. Lippert became guard chief of Dachau concentration camp.

Now look for a way of persuading the opponents to defend improperly. After all, your opponents are only human. Can you find some reasonable sort of mistake for one of them?

When the hand was played in a recent tournament, Charles J. Solomon, famous Philadelphia expert, found a way to hornswozzle his opponents.

Charlie won the first trick with the ace of clubs, drew two rounds of trumps, and led a low diamond toward dummy's jack.

West stepped up with the queen of diamonds and led some more clubs. Solomon ruffed the third round of clubs and led another low diamond toward dummy!

WEST'S REASONING

This strange play gave West something to think about. From West's point of view, the missing diamonds could be exchanged, so that South held 10-x-x-x and East

\$11,500 AT STAKE IN SPEEDWAY TRIALS

With the Indianapolis Motor Speedway offering \$11,500 in qualifying money this year—an increase of \$4,000 over 1956—the battle for starting positions in the 41st annual 500-mile race will get under way during time trials this week-end.

Although 54 entries have been received for the 1957 Classic, only the fastest 33 qualifiers will be eligible for the "flying start" behind the powerful Mercury pace car on May 30. The high-speed struggle for starting positions, consequently, is expected to result in record-breaking performances.

At least half of the field probably will attempt to qualify this week-end, with the other entrants waiting until the final qualifying days, May 25 and 26.

The five fastest qualifiers on each of the four days will receive cash awards of \$1,000, \$750, \$500, \$250 and \$125, respectively, from the Indianapolis Motor Speedway. Tony Hulman, Speedway president, also has announced that the fastest qualifier, regardless of the day on which he runs, will receive another \$1,000 cash award.

Many merchandise awards and cash accessory prizes, including one of \$1,000 for the fastest qualifier if Mobil products are used, also are at stake.

Winner of the pole position will receive the Robert Bowes Memorial trophy; and a new award this year—the Motor Age trophy—will be presented to the driver who turns in the fastest single lap during an official qualifying attempt.

Most veteran drivers agree that Pat Flaherty's one-lap and four-lap records of 146.056 and 145.596 miles an hour are sure to be broken if weather conditions are favorable. Predictions range up to 147.5 miles an hour.

Among the favorites for front-row positions this year are nine drivers who have earned that distinction on

held A-x-x. If this were the case, it would be a mistake to put up the king of diamonds, for the ace would be ruffed out next, and the ten would thus be established.

It never occurred to West that declarer had the ace of diamonds. He was sure he could lose nothing by ducking on this second round of the suit.

This allowed dummy to win with the jack of diamonds. Now South could discard a heart from dummy on the ace of diamonds,

thus limiting the heart loss to one trick.

DAILY QUESTION

Your opening bid of one spade is raised by partner to two spades. You hold: S—A Q J 8 4. H—9 8 3. D—A 8 4. C—A 7. What do you say at your next turn?

Answer: Bid three spades. Partner will go on to game if he has good values for his raise. Otherwise, you will almost surely be safe enough at three spades.

It doesn't seem so long since she was a little girl herself, picking out a card for her mother on Mother's Day. Yet this morning there was a card at the breakfast table, reading, "To Mommy, with love..."

On this day, she feels a special meaning as she goes to church with her little girl's white-gloved hand clasped tightly in hers. As they kneel in prayer together a wave of tenderness comes over her, and as she looks at the small figure by her side she at once feels grateful to God for making her a mother, and awed by the responsibility which is hers.

She prays God to endow her with the qualities all mothers need: common sense, a touch of humor, tenderness, wisdom, the capacity for comfort, a large measure of courage, quick laughter, and just a dash of sternness. And she is deeply thankful that in this, the most important task of her life, she has her Faith and her Church to guide her.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible, daily.
